

AACS – AFCS – AFCC
Communications Units listed by Area and Location
1938 – 1993 & beyond
(As of November 20, 2012)

Prepared by: Hank Sauer

Note: This is an imperfect listing and some locations may be missing, listed in the wrong area or misspelled. Some units may be missing. If you have any changes and/or additions, please email them to Hank Sauer at DirAACS@comcast.net.

The original listing of locations and units used documentation up to 1993. Since then, we have added locations and units of members and others who were stationed at these locations/units. We are still missing many Detachments and Operating Locations (there are few records below the Squadron or Group/Wing level).

This location/unit listing is used as a source document by a number of organizations, please be accurate in your submissions for additions and/or changes.
