

AACS – AFCS – AFCC
Communications Units listed by Area and Location
1938 – 1993 & beyond

(As of August 2016)

Prepared by Hank Sauer

Note: This is an imperfect listing and some locations may be missing, listed in the wrong area or misspelled. Some units may be missing. If you have any changes and/or additions, please email them to Hank Sauer at DirAACS@comcast.net.

The original listing of locations and units used documentation up to 1993. Since then, we have added locations and units of members and others who were stationed at these locations/units. We are still missing many Detachments and Operating Locations (there are few records below the Squadron or Group/Wing level).

After the **Pacific listing there is a list of Korean K-sites and locations during the Korean War. (This list is integrated into the file. Takes a few seconds for it to appear. You can place your cursor after last Pacific listing and hit **DELETE**)**
